

YE AUNG KHANT

FULLSTACK WEB
DEVELOPER

ABOUT ME

To work as a Software Engineer applying my knowledge in the field of testing, designing, and maintenance to cater to the specific needs of the people. I wish to work in a team of motivated individuals who wish to work towards the advancement of the company and its goals. I was easy to understand new technical skills and high problem solving skills. Works well as a team.

EDUCATION

University of Computer Studies (Banmaw)

- Computer Science and Software Engineering (major)
